### Target Students

This nationally recognised qualification is the perfect starting point for people wanting to work in an entry level process manufacturing role.

Students gain skills and knowledge required for a variety of roles across different industry sectors, learning to apply a broad range of competencies using some discretion, judgement and relevant theoretical knowledge.

#### Formation Training predominant student target groups for this course are:

- Those who have little to no experience in this industry sector.
- These participants would like to develop the knowledge and skills under this program in order to create further employment or educational opportunities.

\*Others who are welcome to study the MSM30116 *Certificate III in Processing Manufacturing* course, under this Program include:

- people in their first or second year of working
- those wishing to enter a different industry sector
- existing workers within the industry who are looking to gain a Certificate in their field of work.

\*We understand not all students who have industry experience will have developed the required knowledge and skills under the Units of Competency included. Therefore, the structure of this course program will be suited to these participants.

### Location

Formation Training main office is located at Unit 1, 75 Flinders Parade, North Lakes QLD 4509. Your specific course location will be noted in the email sent to you.

Electives have been chosen after discussions with industry representatives to best position the graduate for an employment outcome.

### Course Entry Requirements

MSM30116 Certificate III in Process Manufacturing consists of a range of practical tasks and in order to meet workplace experience and job role expectations, students should be physically, mentally and emotionally healthy to meet duty of care obligations.

Students should also have a reasonable level of fitness to cope with physical demands such as standing, lifting, bending, twisting and reaching.

### Formation Training Course Admission Requirements

Student must:

- Be at least 15 years of age;
- Have completed Year 10 in the Australian school system or equivalent; and
- Have language, literacy and numeracy skills equivalent to ACSF Level 2.

### Language Literacy and Numeracy Assessment (LLN)

To work in a business environment, students must demonstrate suitable LLN skills which are assessed when applying for enrolment. The assessment relates to the Australian Core Skills Framework (ACSF) and is a required part of applying for enrolment.

Please refer to the Formation Training *Student Handbook – Student Entry Procedure* for further information.

Formation Training selection criteria takes into account various factors when deciding upon which students will be offered places in the course including;

- The students' needs and desired outcomes;
- The ability and commitment of the student to complete the course;
- Eligibility requirements listed in the National Training Package;
- Students existing ability in the ACSF core skills - learning, reading, writing, oral communication and numeracy;
- Any areas where students may need additional support (e.g. if they have low English levels) and to identify whether student's physical attributes may influence their ability to complete the training and assessment (e.g. if heavy lifting is required).

### Student Identification Requirements

Students are advised the following minimum identification requirements must be met prior to enrolment:

- Provision of the student's Unique Student Identifier (USI);
- Provision of Australian legal photo identification for assessment purposes.

If students do not have a USI they can create one at [www.usi.gov.au](http://www.usi.gov.au) or ask Formation Training for assistance. Please refer to Formation Training *Student Handbook* for further information. You must bring three forms of ID one of which must include a photograph of you.

## Government Support

### Certificate 3 Guarantee Program

This course is available through the Certificate 3 Guarantee for eligible Queensland students, funded by the Queensland Government.

The principal goal of the Certificate 3 Guarantee Program is to assist working-age Queenslanders to obtain an entry-level qualification needed to gain employment in various industry sectors. The Certificate 3 Guarantee aims to support its eligible individuals to move into employment or advance their career by completing a funded qualification.

Formation Training is one of the select providers in Queensland to help in turning this ambition into a reality. For further information or to consider your eligibility, visit:

<https://training.qld.gov.au/training/incentives/certificate3/faq>

***Formation Training will apply for the Certificate 3 Guarantee funding towards the cost of your course. In turn, you acknowledge that you will no longer be eligible for subsidised training under the Queensland Government's Certificate 3 Guarantee Program once you complete the qualification with Formation Training. This also means that in the future you will pay a higher fee than someone who does not have a Certificate 3 Guarantee funded qualification.***

Please click on the link below and read the Certificate 3 Guarantee Fact Sheet:

<https://training.qld.gov.au/site/providers/Documents/funded/certificate3/c3g-factsheet-student.pdf>

Formation training will ask you to provide us with evidence of your eligibility (including your date of birth, evidence that you are an Australian or New Zealand Citizen or Australian Permanent Resident and your Queensland residential address).

## Student Handbook

The student handbook is available via our website, we advise that you download this and read prior to attending your class <http://www.formationtraining.edu.au/>

## Support Services

Students are asked to identify their individual needs but are sometimes reluctant to do so. Formation Training personally monitor the progress of all students and their readiness for assessment as they progress through their course.

Delivery materials and methods may be adapted for the special needs of clients. Some examples may include enlarging print materials for vision requirements, provision of ICT equipment and support, accessing interpreter services or using individual delivery methods.

A range of support services, including LLN training, may be accessed as required for student needs.

Information regarding these educational and support services, resources, any associated costs and limitations to these services, is available to students.

### Recognition of Prior Learning (RPL) and Credit Transfer (CT)

Recognition documentation and applications is available for all units of competency for those students who have extensive experience in the unit areas. RPL applications will be offered and processed as per Formation Training Student Advice and Selection Policy.

Formation Training recognises Qualifications and Statements of Attainment issued by other RTOs under the Australian Qualifications Framework (AQF). Students may use Qualifications and Statements of Attainment to gain credit towards programs offered by Formation Training.

Please refer to Formation Training Student *Handbook* for further information.
